

Triton's New 225 DC: The Saltwater Fish & Ski

Here's a saltwater fishing boat your whole family will love! You might call our new 225 Dual Console a "saltwater family fisherman" because it combines people-pleasing comfort with hard-core fishing features. There's a tempered glass walk-through windshield for *maximum* protection from the elements, cushioned bow seating, even a porta-potti. Fishermen will love the 35-gallon baitwell, **abundant** storage and flush-mount rod holders. It's the perfect boat for family coastal outings!

Triton's New 22 SV: America's Best Coastal Fishing Value

This is a tournament-ready coastal fishing machine for the budget-minded fisherman! This awesome 22-footer features the same hull and decks as our legendary 22 LTS, for a smooth, dry ride, lightning performance and true tournament fishability...there's just a few less bells and whistles to keep the price tag low. With its wood-free composite construction and attention to detail, our 22 SV is a Triton through and through!
