

NORTH AMERICAN

**TRITON® BOATS
2013 LIMITED WARRANTY
TRITON ALUMINUM BOATS**

Fishing Holdings, LLC dba Triton Boats ("Triton") warrants to you, the first North American retail purchaser of this 2013 model year Triton aluminum boat or a second North American retail purchaser as noted below ("you"), that it will repair or replace, at its sole discretion, defects in materials or workmanship that occur and are reported to Triton, or its factory authorized dealer, within the applicable limited warranty periods, subject to the terms, conditions and exclusions set forth below. Your acceptance of delivery of the warranted Triton aluminum boat constitutes your acceptance of the terms of this limited warranty. This limited warranty gives you specific legal rights and you may have other rights which may vary from state to state.

This limited warranty is the sole and exclusive express warranty from Triton regarding your 2013 Triton aluminum boat and there are no express warranties which extend beyond those outlined in this limited warranty. Under the laws of certain states, there may be no implied warranties from Triton and ALL IMPLIED WARRANTIES (INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE) ARE EXCLUDED AND DISCLAIMED WHERE ALLOWED BY APPLICABLE LAW. ANY IMPLIED WARRANTIES (IF APPLICABLE) ARE LIMITED TO THE MINIMUM PERIOD OF TIME ALLOWED UNDER APPLICABLE LAW. Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.

Coverage Under this Limited Warranty:

Structural Hull Defects:

External Structural Hull Welds: For the first North American retail purchaser, the limited warranty period for defects in External Structural Hull Welds runs for the duration of their period of ownership. For the second North American retail purchaser, the limited warranty period for defects in the External Structural Hull Welds runs for five (5) years from the date the warranty began running for the first North American retail purchaser of the boat, regardless of when the limited warranty is transferred to the second North American retail purchaser.

Internal Structural Hull Components (stringers, ribs, bulkheads and transom): The limited warranty period for defects in the Internal Structural Hull Components runs for five (5) years.

A "Structural Hull Defect" shall mean a substantial defect in the aluminum boat Hull's external welds or internal stringers, ribs, bulkheads or transom which causes the aluminum boat to be unfit or unsafe for general use as a pleasure craft under normal operating conditions.

Defects in the following factory installed parts and components: The limited warranty period runs for two (2) years.

1. Steering helm, cylinder, hoses and cables
2. Aeration pumps, valves and timers
3. Bilge pump
4. Boat electrical system
5. Seat pedestals
6. Fuel tanks
7. Deck hardware such as locks, cleats and fasteners
8. Factory installed battery charger(s)

Defects in the remaining factory installed parts and components: The limited warranty period runs for one (1) year.

Defects in the exterior cosmetic painted finish of boats (peeling or fading): The limited warranty period runs for two (2) years.

The applicable limited warranty period runs from the date of delivery of the aluminum boat to the first North American retail purchaser, provided that the aluminum boat is delivered within twenty-four (24) months from the date of its manufacture. For an aluminum boat delivered more than twenty-four (24) months after the date of its manufacture, the limited warranty period will run from the date of its manufacture. All warranties run concurrently.

This limited warranty extends only to the first North American retail purchaser. However, it may be transferred to a second North American retail purchaser for a non-refundable recording fee of \$200 (made payable to your authorized dealer), which must be paid within fifteen (15) days of the purchase, provided the second North American retail purchaser purchases the aluminum boat from the original purchaser or an authorized Triton dealer. Proof of the purchase date is required. The transfer must occur within five (5) years of the original retail sale. This limited warranty may only be transferred **once**. Triton reserves the right to reject a limited warranty transfer request for a Triton product that has been damaged, neglected or otherwise previously excluded from limited warranty coverage.

THIS LIMITED WARRANTY DOES NOT COVER:

1. A boat purchased from any party other than an authorized Triton dealer or the first North American retail purchaser.
2. A boat, including its components, that has been altered or modified so as to adversely affect its operation, performance or durability, as determined by Triton, or a boat that has been salvaged, declared a total loss, or a constructive total loss, for any reason not covered in this limited warranty.
3. Any damage resulting from an accident or impact with another object or any damage caused by an act of nature.
4. Damage, breakage and leakage around windshields, hatches or other designed openings.

5. Painted or Gelcoat finishes (except as noted above), including peeling, blistering, chalking, discoloration or stars; wood finishes (varnish, stains and paints); plastics; plated or painted metal; stainless steel finishes and anti-fouling bottom paint.
6. Damage (including due to rainwater leakage), deterioration, fraying, tearing, wearing or shrinkage of carpet, upholstery (including fabric and vinyl), exterior canvas, enclosures, weather covers or other soft goods.
7. A boat that has been overpowered, according to the boat's maximum recommended engine horsepower, or overloaded in excess of the maximum limits as stated on the U.S. Coast Guard Capacity Plate.
8. A boat with an engine setback plate that is not factory installed.
9. Estimated characteristics such as weight, speed and fuel consumption.
10. A boat that has been misused or used in a negligent manner; a boat that has been used for racing, speed or endurance contests; used for rental; used without normal maintenance; operated contrary to any instruction furnished by Triton or operated in violation of any federal, state, local, Coast Guard or other governmental agency laws, rules or regulations.
11. Dealer preparation, cleaning, final adjustments and alignments in preparing the boat for delivery.
12. Damage to aluminum hulls from use in salt or brackish water unless that hull model is specifically designated for such use.
13. Engines, outdrives, controls, propellers, batteries, trailers and other equipment, accessories or components that are not manufactured by Triton, whether or not they are warranted by other manufacturers. Note: it is the purchaser's responsibility to complete any warranty registration procedure that may be applicable to these components with the component manufacturer.
14. Any failure or defect arising from a previous repair made by a non-authorized service provider, unless preapproved by Triton.
15. Any defect that results in the redesign of the Triton boat.

THE SOLE AND EXCLUSIVE REMEDY UNDER THIS LIMITED WARRANTY AND ANY APPLICABLE IMPLIED WARRANTY IS THE REPAIR OR REPLACEMENT, AT TRITON'S SOLE OPTION, OF WARRANTED PARTS AND COMPONENTS. TRITON EXCLUDES AND DISCLAIMS ANY LIABILITY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES INCLUDING LOSS OF TIME, INCONVENIENCE, INSTALLMENT PAYMENTS, INSURANCE PAYMENTS, MARINA FEES, RETAIL CHARGES, TRAVEL EXPENSES, LOSS OF USE, HAUL OUT, LAUNCH, TOWING AND/OR STORAGE CHARGES, LOSS OF OR DAMAGE TO PERSONAL PROPERTY OR OTHER SIMILAR COSTS AND EXPENSES, OR ANY CLAIM NOT SPECIFICALLY COVERED BY THIS LIMITED WARRANTY. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. Any legal action alleging breach of any applicable warranty coverage must be brought within one (1) year from the date the alleged breach first occurred.

In order to activate limited warranty coverage on their Triton aluminum boat, the first North American retail purchaser must warranty register the boat through an authorized Triton aluminum dealer via Triton's online dealer extranet, within fifteen (15) days of delivery of the boat. To obtain limited warranty service, you must return the boat, including any alleged defective part, to an authorized Triton dealer within the applicable limited warranty period. Triton must receive written notice of all limited warranty claims prior to the expiration of this limited warranty and be allowed an opportunity to resolve them. The authorized Triton aluminum dealer will carry out the warranty procedures (e.g. repairs, claims submissions to Triton etc.) on the purchaser's behalf. All limited warranty work must be performed at an authorized Triton aluminum dealer, at the Triton factory or at another repair facility that Triton selects. The purchaser is responsible for the expenses associated with transporting the aluminum boat to and from the repair facility.

NOTE: Triton will complete repairs/replacements covered under this limited warranty during the first year of ownership by the first North American retail purchaser, at no charge to the purchaser. After that, the first or second North American retail purchaser must pay a service charge of \$50 per claim to the authorized Triton aluminum dealer for service performed under this limited warranty. (There is no charge for service appointments solely for any rework from previous service appointments.)

This document contains the entire limited warranty provided by Triton. Any questions concerning the scope of this limited warranty should be directed to Triton. The terms and conditions contained in this limited warranty may not be modified, altered or waived by any action, inaction or representation, whether oral or in writing, except upon the express, written authority of a senior management level employee of Triton. Triton does not authorize any person or persons (except a senior management level employee of Triton), including Triton dealers, to change the terms of this limited warranty. (Note that your authorized Triton dealer is an independent business, authorized to sell and service Triton products, but is not an agent of Triton.) Triton reserves the right to change or improve the design or manufacture of Triton aluminum boats without obligation to modify any boat previously manufactured.
